No. 25 Civ. 2390

**SUPPLEMENTAL DECLARATION OF PAULA HICKEY**

I, Paula Hickey, declare under penalty of perjury, pursuant to 28 U.S.C. § 1746, that the following is true and correct:

1. I am over 18 year of age and competent to give this declaration. This declaration is based on my personal knowledge, information, and belief.
2. I am the Local President of the American Federation of Government Employees, AFL-CIO, Local 1812 (“Local 1812”) a labor organization and unincorporated association that represents federal employees at the Voice of America (VOA) within the United States Agency for Global Media (USAGM). Local 1812 is an affiliate of the American Federation of Government Employees (“AFGE”).
3. At 10:49 p.m. EST on March 25, 2025, I received an email from the USAGM Director for Human Resources that included two attachments, a “Reduction in Force Notification” and an excel spreadsheet with data on the employees affected by the Reduction in Force (RIF). The notice states “This is a notice of management’s decision to implement a [RIF] for multiple competitive areas. The agency plans to send termination notices to employees in the next few weeks. Extraordinary circumstances, driven by the President’s

March 14, 2025 executive order *Continuing the Reduction of the Federal Bureaucracy* and the need to provide clarity to employees necessitate a notification period shorter than three months.” The notice further states that at least 594 Local 1812 bargaining unit members will be affected by the RIF. A true and correct copy of this notice is attached hereto as Exhibit 1.

4. Also included in the email from the USAGM Human Resources Director is an excel spreadsheet with data on 594 affected employees, which includes International Broadcasters for Radio, Internet, TV, and Multimedia in dozens of different languages, Technicians, Budget Analysts, and Electronics Engineers, among others. My position was listed at the top of the spreadsheet. A true and correct copy of this document is attached hereto as Exhibit 2.
5. If USAGM terminates the 594 listed employees, the bargaining unit represented by Local 1812 will effectively cease to exist. Without the International Broadcasters, Technicians, Budget Analysts, and Electronics Engineers, or the hundreds of employees encumbering other vital positions, VOA will not be able to provide the services it has offered for 83 years and therefore will not be able to meet its mission to counter propaganda and spread freedom and democracy abroad.
6. VOA broadcasts to populations under authoritarian rule who turn to VOA as a trusted source of news. If VOA cannot meet its mission, the United States will be giving up its voice and leaving open a global communication void.
7. I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Executed at Mitchellville, Maryland on the 26<sup>th</sup> day of March, 2025.

SUBJECT: Reduction in Force Notification

This is a notice of management's decision to implement a reduction in force (RIF) for multiple competitive areas. The agency plans to send termination notices to employees in the next few weeks. The President's March 14, 2025, executive order *Continuing the Reduction of the Federal Bureaucracy*. Statutory positions and functions will remain.

2. The approximate number of employees who may be affected initially:

3. The competitive areas and levels that may initially be involved in a reduction in force:

See the accompanying attachment for the competitive areas and levels.

4. The anticipated effective date of the action.
